

**INFANCY INTERNATIONAL**  
**SPONSOR FACT SHEET**

It is with great excitement and promise that Infancy International expands its African partnerships in 2008 and 2009. We invite you to come alongside dedicated health workers and parents as they ever strengthen their response to the unique health and development needs of their most vulnerable. In addition to our donor circles listed below, there are many opportunities to get involved in unique private and corporate sponsorship projects. Details available upon request.

If you wish to contribute financially to Infancy International, we offer several levels of sponsorship:

*Altruistic Circle*  
\$1000

*Benevolent Circle*  
\$2500

*Charitable Circle*  
\$5000

*Patron Circle*  
\$7500

*Humanitarian Circle*  
\$10,000

*Philanthropic Circle*  
\$15,000

Although we have structured funding into sponsorship levels, we will gladly accept any amount you are willing to give. Infancy International is a U.S.-based, 501(c)3 charitable organization. If you would like to help fund our initiatives, your donation is tax deductible to the extent of the law.

On behalf of Infancy International, I thank you for your kind consideration of our request for support. Together, we realize the power of partnership in improving the lives and futures of these precious children.
